PROFESSIONAL SUMMARY

Mechanical Engineering graduate with hands-on site execution experience in nuclear infrastructure, plant surveying, and automotive service management. Skilled in equipment alignment, erection plate modification, and shop-floor workflow optimization. Proficient in CAD/CAE tools including PTC Creo, SolidWorks, and ANSYS Mechanical, complemented by Python programming skills for technical problem-solving. Holds certified foundational training in Non-Destructive Testing (NDT) and CNC machining.

TECHNICAL SKILLS

- **Design & Simulation:** SolidWorks, PTC Creo Parametric, ANSYS Mechanical, Autodesk Inventor, Revit MEP, Tecnomatix Plant Simulation, Fusion 360.
- **Manufacturing & Quality:** NDT (LPT, MPT, Radiographic testing, Ultrasonic testing), CNC/VMC G&M Code Programming, GD&T, Six Sigma (DMAIC basics), Quality Control & Inspection.
- **Survey & Field Tools:** Leica Total Station (TS-06), Precision equipment alignment, Bolt alignment, Erection plate execution and alignment.
- **Programming & Tools:** Python (Data Analysis, Matplotlib, Tkinter, Pygame), VS Code, MS Office Suite.

WORK EXPERIENCE

L&T Heavy Civil Infrastructure (via RK Engineering) — *Tirunelveli, India*

Assistant Surveyor – Mechanical Department | *Feb 2025 – Jun 2026*

- Supported mechanical survey and alignment operations for Turbine Building Construction at the Kudankulam Nuclear Power Plant project.
- Executed precision equipment bolt alignment, base plate verification, and erection plate modifications using Leica Total Station (TS-06).
- Collaborated with senior engineering teams to verify structural and mechanical tolerances against engineering drawings and ensured sub-millimeter precision tolerances.

Marikar Motors Ltd. (Honda Authorized Service Centre) — *Kanyakumari, India*

Service Advisor | *Aug 2024 – Nov 2024*

- Managed daily shop floor operations, Handled intake and inspection of 15+ vehicles daily, reducing handover turnaround time by 10% and improved customer service efficiency.
- Diagnosed automotive technical issues and coordinated mechanical maintenance workflows between customers and technicians.

ACADEMIC EXPERIENCE

Aavin Milk Union Ltd. (KDCMPUL) — Nagercoil, India

In-Plant Trainee | Jul 2023

- Evaluated operational parameters, heat transfer cycles, and maintenance routines across critical plant machinery, including high-capacity boilers, PHE systems, and centrifugal separators.

ACADEMIC PROJECTS

Arduino-Based Robotic Arm | Final Year Project | Jan 2024 – Feb 2024

- Designed and built an automated robotic arm controlled via Arduino UNO and HC-05 Bluetooth module.
- Integrated ultrasonic sensors for obstacle detection and automated object handling without manual code re-entry.

Electromagnetic Solenoid Engine | Pre-Final Year Project | Feb 2023 – May 2023

- Fabricated a functional electromagnetic solenoid engine prototype achieving up to 300 RPM.
- Designed coil setups and mechanical linkages to convert linear electromagnetic force into rotary motion.

EDUCATION

Bachelor of Engineering in Mechanical Engineering | 2020 – 2024

Rohini College of Engineering and Technology, Anna University

CGPA: 7.88 / 10.0 (First Class)

Higher Secondary Certificate (HSC) – Maths & Biology | 2018 – 2020

Scott Christian School for Boys, Nagercoil, Tamil Nadu

SSLC – High School - General Studies | 2006 – 2018

Fatima Convent Matric High School, Ramapuram, Tamil Nadu

CERTIFICATIONS & TECHNICAL TRAININGS

- **NDT Training** (LPT, MPT, RT, UT): Techie Training & Inspections (*Oct 2023*)
- **Automation in Manufacturing (Score: 64%)**: NPTEL – IIT Guwahati (*Jul – Oct 2023*)
- **CNC & VMC Programming (G & M Codes)**: Imaya Inspection Technology (*Jul – Aug 2022*)
- **CAD/CAM, Simulation & Program Certifications**: Open Science 101, Fundamentals of Remote Sensing, Tecnomatix Plant Simulation Essential, SolidWorks Advanced, Autodesk Inventor, Revit MEP, Six Sigma Basics, Machine Learning using Python (NASA / NASA (ARSET) / Simplilearn / Infosys Springboard / SourceCAD / Siemens).

LANGUAGES

- English (Professional) | Tamil (Native) | Hindi (Elementary)
